Budget*

Does the budget clearly define the costs of the project? Is a budget included?

Max Score: 5

Jennifer Bennett: 2

Kristy Bouck: *[Unanswered]*

Overall Comments

Jennifer Bennett: Poorly written grant. I couldn't open the attachments to see what is being purchased. I do think there is a need for this in a special needs classroom, but the info was lacking to fully understand what they want/want to purchase.
